

# Group Contributions

## *“Use of Group Funds”*

### Rent and Other Group Expenses

“Our tradition of self-support suggests that the expenses for the group’s operation such as rent, literature, insurance, supplies, post office box rental, Group Representative and Information Service Representative expenses be met first. Remaining funds may be used to support local and area structures and the World Service Office.” Al-Anon/Alateen Service Manual 2010-2013. p.96

After each group meets its direct expenses and prudent reserve, many groups are able to donate excess funds to its service arms. These include the World Service Office (forms will be sent to registered meetings, i.e. Quarterly Appeal, but ok to send without form); So Cal World Service; Los Angeles Central Office; and World Service District 33. Contributions are distributed per group conscience at your meeting.
